THERE S CORPSES EVERYWHERE: YET ANOTHER LIO COLLECTION

[DOWNLOAD](#)

Andrews McMeel Publishing, United States, 2010. Paperback. Book Condition: New. 226 x 210 mm. Language: English . Brand New Book. Emmy award-winning animator and producer Mark Tatullia s comic strip Lio is dark, twisted, visually stunning and totally irresistible. Lio is a curious scientist, a comic-book fan, defender of the defenseless and creator of an army of robot zombie bunnies all without saying a word. Through the age-old style of pantomime strips, Tatulli s Lio offers a decidedly new and edgy twist to the wordless comic format. That s right-- Lio is so crafty it doesn t need word balloons, dialogue boxes, or copious captions. Employing a unique drawing style influenced by cartooning greats Gahan Wilson, Charles Addams, and 19th-century satirist A. J. Volck, Tatulli s cartoon creation is completely nonsyllabic but dramatic nonetheless, and was awarded as 2009 s Best Newspaper Comic Strip by the National Cartoonists Society. The result of Tatulli s creativity is a mind-bending, comical, and astute journey into the darkly detailed world of spiky-haired Lio, a curious young scientist and comic book fan whose daydreams embark from the dark chasm where wit and sarcasm collide. Defender of the defenseless and the inventor of a legion of zombie bunnies, Lio is joined in his day-to-day exploits by his exasperated and sleep-deprived father, a pet snake named Frank, a squid named Ishmael, and various imaginary robots and creepy, crawly monsters. Within this humorously macabre framework of sarcasm, parody, and high jinx, sidesplitting laughter abounds--all without so much as a word.
