Instructional Technology Tools: A Professional Development Plan

By L Robert Furman Edd

iUniverse, United States, 2012. Paperback. Book Condition: New. 278 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.The use of instructional technology in twenty-first-century classrooms is not a subject to be debated. Rather, it needs to be embraced as a standard practice rather than an enriching activity. In *Instructional Technology Tools: A Professional Development Plan*, author L. Robert Furman presents a comprehensive guide to help educators embrace the use of instructional technology tools in the classroom. Answering the typical questions often posed by teachers and staff, Furman emphasizes the practical use of technology and introduces a breakthrough development called E-ProDev Days for offsite electronic professional development. He gives administrators the tools necessary to conduct fulfilling and meaningful professional development days, in-house or electronically, revolving around technology. *Instructional Technology Tools: A Professional Development Plan* also includes professional development lesson plans; tutorials for teachers and students; sample sites where examples of each e-tool are available to share; addresses to obtain the e-tools. Presenting a logical and practical approach to teaching a staff how to successfully use e-tools in their classroom, *Instructional Technology Tools: A Professional Development Plan* helps administrators help teachers to enhance their classrooms, manage time,...
