Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Strategic Book Publishing Rights Agency, LLC, United States, 2007. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.CONTROL is all around us - between husbands and wives, boyfriends and girlfriends, parents and children, teachers and students, and bosses and employees. Even though LaMont Prospect earned a Bachelor s Degree in English, a Master s Degree in Social Work and a Doctorate in School Psychology, this book does not preach or tell people what to do or how to live their lives. It has no psychological jargon or textbook language. If someone was to say you need to do A, B, C and D with your life, that would be controlling. Of the 44 chapters, thirty-four are real stories about real people and how the need for control ruined their lives and the lives of others around them. The other 10 chapters are about entities that try to control people. While some of these entities may seem rather obvious, most forms of control are very subtle. The goal is to help readers recognize unhealthy forms of control and how to deal with it. --- About LaMont Prospect LaMont Prospect was born in Racine, WI. After earning a BA in English (UW-Madison, 1981), he worked in the Racine Theatre Guild where he landed leading roles in The Drunkard, A Bed Full of Foreigners, and The Three Cuckolds. Upon returning to Madison to complete a minor in Theatre/Arts, he was cast as William Shakespeare in an MFA production of Dark Lady of the Sonnets. For a brief time, he worked professionally in the improv comedy group The Ark (Joan Cusack among its cast members) and subsequently appeared in three independent films: Momma s Boy, Tagged, and An Addict for my Addictions. --- Prospect...
