Williams & Associates Communication. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. The only book of its kind, ACORN 8: Race, Power and Politics--Memoirs of an ACORN Whistleblower is a cautionary tale of corruption and deceit within the Association of Community Organizations for Reform Now (ACORN). Eight courageous low-income community members refused to drink the Kool-Aid within the Jones Town, cult-like association and challenged Wade Rathke, a Jim Jones-style leader, and the entire ACORN establishment. For several decades, ACORN ran campaigns across the nation seeking fair, affordable, safe housing and other desirable social justice goals for the dispossessed. The groups style tended toward the confrontational, making demands of powerful corporations and government agencies until change occurred, city by city, state by state. Michael McCray, a certified public accountant and lawyer, became deeply involved as an ACORN national board member. His whistleblowing there had cost him his job, but had not dulled his desire to set wrongs right. This quintessential American story is told from the unique perspective of actual ACORN leaders and National Board Members; learn the real inside story of ACORN from the ACORN 8--the credible ACORN whistleblowers. ACORN 8: Race, Power and Politics includes a powerful foreword by internationally revered author Tom Devine one of the nations leading whistleblower advocates and Legal Director for the Government Accountability Project. McCray collaborates with Marcel Reid an African American woman who became an ACORN national board member before McCray and fought what she saw as Caucasian paid-staff domination at the top, with the members viewed as dispensable and interchangeable. While Race, Power and Politics--Memoirs of an ACORN Whistleblower features Reids whistleblowing prominently,...
