Guilford Publications, United States, 2013. Hardback. Book Condition: New. New.. 254 x 175 mm. Language: English . Brand New Book. Nearly every state has independently adopted the Common Core State Standards (CCSS), making this practical guide an indispensable resource for grades 3-5 teachers and teachers-in-training. Leading authorities explain each of the English language arts (ELA) standards and vividly show how to implement them. The book is filled with grade-specific classroom vignettes, instructional strategies and activities, sample lesson plans, and discussion questions. Chapters cover the major ELA strands: reading (literature, informational texts, and foundational skills); writing; speaking and listening; and language. Issues of assessment and technology integration are also explored. An appendix includes thematic units for each grade level demonstrating ways to embed CCSS/ELA standards into content-area instruction.
