Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Macmillan Education, United Kingdom, 2001. Paperback. Book Condition: New. 246 x 186 mm. Language: N/A. Brand New Book. Pre-school education is expanding rapidly throughout Africa, and Stepping Stones has been written to meet the growing need both for early learning books for children, and for supportive resource material for teachers. This book is the first of two Writing and Number Books . The series teaches pre-reading, pre-writing and early number skills, as well as such important concepts as colour, size and shape. The Writing and Number Books provide: matching, colouring and joining activities to reinforce new vocabulary and language; activities to develop motor skills and prepare children for early handwriting practice; alphabet activities to help children to recognize letters and their first written words; and exercises to develop early number awareness. There are Reading Books and a Teacher s Kit within the series as well.
