Accounting Equations and Answers (Speedy Study Guides: Academic)

By Speedy Publishing LLC

Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Accountants use equations throughout their professional career. Some of these equations are quite simple; the basic assets are equal to liabilities and owners equity is the theoretical underpinning of double-entry bookkeeping. Others are more complex in nature and are used to calculate the internal rate of return, present value of cash flows, and various functions to calculate the fair value of assets. Having a chart available that provides some of these basic formulas is a helpful way to keep track of them which can lead to improved efficiencies and a higher quality work product that can further your career.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
