Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ROBBING GOD

Crossover Publications LLC, United States, 2009. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.What happens to the spirit of generosity of the average person when the economies of the world melt down around them? How are charitable individuals committed to obedient giving going to navigate through budget breakers like runaway gas prices, high food costs, unemployment, and tax increases, to pay for a government spending frenzy? Robbing God is simply a book about personal freedom-a freedom that is experienced when individuals discover the kind of giving first demonstrated by a loving God. A God that has not withheld anything from those he loves. Somehow, as with many of the bible s teachings and principles, some have managed to turn the act of giving into little more than a self-serving personal agenda, complete with greed and corruption. While some may teach that giving produces personal gain and wealth, many give for the sheer joy and privilege of giving. God was the ultimate giver and created us in his image. We are certainly at our best when we learn to give cheerfully, just as he gave. Is it really possible to rob God? If so, who is capable of robbing God? For many years I have watched money collected in many places and in many ways. I ve heard and witnessed the simple, the sublime, and the ridiculous. It is not difficult for us to understand giving. There is something within all of us, a part of our nature that wants to give. Our hearts respond to the needs of others. We see ordinary hero s jump into action everyday when people are in trouble. Giving is as natural for us as receiving. If we made a list of all the...
