River Grove Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.David Campbell s personal and professional life changed course in the wake of the Indian Ocean tsunami of December 26, 2004. A chance remark to a friend about the tragedy led his companion to reveal that he had dined, just a week prior to the tsunami, on a hotel patio where everyone had been killed. In that moment, Campbell remembers, a faraway event was brought much closer. That meeting launched Campbell into action. After researching travel and lodging, he packed everything he thought he would need in a major disaster zone and boarded a plane to Thailand. But his most important asset was his vast network of friends in the technology industry and his decades of experience in businesses management. His colleagues and friends wanted to help and he wanted to help them do it. Campbell didn t realize it at the time but he had stumbled on the key elements of what would become All Hands Volunteers, an entirely new kind of disaster relief organization: his own credibility, creative use of the Internet to make connections, and most importantly, the immeasurable power of being there. ALL HANDS: THE EVOLUTION OF A VOLUNTEER-POWERED DISASTER RESPONSE ORGANIZATION shares the story of how, over the past ten years, Campbell and thousands of dedicated volunteers have personally and profoundly impacted the lives of people reeling in the wake of natural disaster.
