AuthorHouse. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. At some point in every persons life ones emotions and true self gets pushed out of sight- hidden away from the outside world. For Cynthia Alexander this was not only her way of life but what she had to do to survive. Working in the center of Seattles technology boom, Cynthias seemingly heartless attitude made her perfect for managing the unmanageable. She was good at what she did, but, she was not prepared for how far this job would push her, or the dramatic impact it would have on her life. Enter Ted McBride, a cocky young programmer who would test Cynthias patience and her capacity to mold him while maintaining her own professionalism. The more time she spent working with him, the closer she came to crossing the line and losing control. She knew once she crossed that line, all that she had tried to conceal would come pouring out and neither of them were prepared for how deep or how far this river of emotion would carry them This item ships from multiple locations.
