### ***Reviews***

*This book may be worth purchasing. I am quite late in start reading this one, but better then never.  
Once you begin to read the book, it is extremely difficult to leave it before concluding.

## BI: NOTES FOR A BISEXUAL REVOLUTION

Seal Press. Paperback. Book Condition: new. BRAND NEW, Bi: Notes for a Bisexual Revolution, Shiri Eisner, Depicted as duplicitous, traitorous, and promiscuous, bisexuality has long been suspected, marginalized, and rejected by both straight and gay communities alike. Bi takes a long overdue, comprehensive look at bisexual politics-from the issues surrounding biphobia/monosexism, feminism, and transgenderism to the practice of labeling those who identify as bi as either "too bisexual" (promiscuous and incapable of fidelity) or "not bisexual enough" (not actively engaging romantically or sexually with people of at least two different genders). In this forward-thinking and eye-opening book, feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality, specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention. Informed by feminist, transgender, and queer theory, as well as politics and activism, Bi is a radical manifesto for a group that has been too frequently silenced, erased, and denied-and a starting point from which to launch a bisexual revolution.
