Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What if there were canine angels ready to perform the duties of a human angel? What if evil is about to swallow all the goodness living in a small town where greed suddenly rules the day? A toy factory staffed by autistic personnel is being forced to close. The devastation will end the annual Christmas parade and annual gift giving. It s unthinkable until heaven hears a prayer and sends Quigley and Thurmond, a hapless wingless angel to change a few minds. The story is much more than a legend, folk or fairy tale. The story weaves generously through the good and the weakness of the human mind, and it takes a heavenly dog to resolve the issues. It s an exciting fun; action filled ride. The main character is the star of the hit movie Quigley, a white Pomeranian! On his first divine journey in an extraordinary motion picture entitled Quigley, we watched the strange trouble-making Pomeranian get into all kinds of trauma and be forced to work his way out of each encounter on his own. The film became an international hit, sold over 4-million home video DVD s and still currently in the release around the globe. William Byron Hillman, the writer, producer and director of the first Quigley has written the sequel Quigley s Christmas Adventure as a book and soon to be produced motion picture, which will be released in late 2016.
