Dover Publications Inc., United States, 2016. Paperback. Book Condition: New. Unabridged. 228 x 152 mm. Language: English . Brand New Book. Populist preacher Hiprah Hell-fire Hunt is obsessed with proving the existence of Hell, and Dante s Inferno is his constant companion. When the evangelist mysteriously disappears for six weeks, it s hardly surprising to hear that he s been to Hell and back. This comic graphic novel depicts his odyssey among the damned, where corrupt politicians, bores, frauds, and other sinners receive their just punishments. American cartoonist and writer Arthur Henry Art Young (1866 1943) is best known for his socialist cartoons, particularly those drawn from 1911 17 for the left-wing political magazine The Masses. Young s lifelong enthusiasm for the works of Gustav Dore particularly the French artist s interpretation of Dante s Inferno inspired this humorous 1901 publication. Anyone with an interest in political cartoons, early cartoons, and socialist cartoons will be fascinated by this marvel of invention and craftsmanship and its unique reinterpretation of one of literature s great classics.
