

Sects, Love, and Rock Roll: My Life on Record

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: If this book moves, I hope it moves in the way pop songs do. There will be a lot of talk about songs, but inasmuch as this is a book about listening to music, it's also about how listening to music makes us who we are, or at least about how it makes me who I am, and so it is an exploration, an idiosyncratic and opinionated and particular one, of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene. I don't mean for that to sound hoity-toity--if this were fifteen years ago, I would say that this book was about Christian music, and I would know exactly what I meant. My purpose now is not only to talk about Christian music. I am not here to explicate Christian music, to explain why it exists and whether it is any good. Instead, think of what you're about to read as like an iPod playlist, a collection of essays and thoughts on listening to music and having faith and how they have made me, and a lot of people like me, and maybe you. Also, there will be some jokes about Stryper. Endorsements: If you can name the exact musical connection between Michael W. Smith and Sufjan Stevens, then you don't need to read this book. But you can't do that, can you? None of us can. But Joel Hartse can, and he does that kind of s#! on Every. Single. Page. I'm pretty sure he knows everything. Plus, he's witty and wise. I can't imagine a...
