Reviews

Undoubtedly, this is the greatest job by any author. It is actually filled with wisdom and knowledge I am quickly could get a pleasure of reading a written book.

(Kade Ankunding)

WORK: A VERY SHORT INTRODUCTION

DOWNLOAD

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Work: A Very Short Introduction, Stephen Fineman, The image of a job captures our imagination from an early age, usually prompted by the question 'What do you want to be when you grow up?'. Work - paid, unpaid, voluntary, or obligatory - is woven into the fabric of all human societies. For many of us, it becomes part of our identity. For others it is a tedious necessity. Living is problematic without paid work, and for many it is catastrophic. Steve Fineman tells the fascinating story of work - how we strive for security, reward, and often, meaning. Looking at how we classify 'work'; the cultural and social factors that influence the way we work; the ethics of certain types of work; and the factors that will affect the future of work, from globalization to technology, this Very Short Introduction considers work as a concept and as a practical experience, drawing upon ideas from psychology, sociology, management, and social history. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
