

Alcohol, Addiction and Christian Ethics

Filesize: 8.14 MB

Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.

ALCOHOL, ADDICTION AND CHRISTIAN ETHICS

DOWNLOAD

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2008. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Addictive disorders are characterised by a division of the will, in which the addict is attracted both by a desire to continue the addictive behaviour and also by a desire to stop it. Academic perspectives on this predicament usually come from clinical and scientific standpoints, with the moral model rejected as outmoded. But Christian theology has a long history of thinking and writing on such problems and offers insights which are helpful to scientific and ethical reflection upon the nature of addiction. Chris Cook reviews Christian theological and ethical reflection upon the problems of alcohol use and misuse, from biblical times until the present day. Drawing particularly upon the writings of St Paul the Apostle and Augustine of Hippo, a critical theological model of addiction is developed. Alcohol dependence is also viewed in the broader ethical perspective of the use and misuse of alcohol within communities.
