Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Proceedings of the Sixth, Seventh and Eighth Annual Confernces of the American Association of Medical Milk Commissions: Sixth Annual Conference Held at Louisville, Ky,, April 30 to May 1, 1912; Seventh Annual Conference Held at Minneapolis, Minn,, June 19-20, 1913; Eight Annual Conference Held at Rochester, N. Y., June 19-20, 1914 It has been said truly that milk is the only material in the whole range of animal matter that is designed and prepared by nature expressly as food. The Medical Milk Commission represents a beneficent system in the field of preventive medicine with the specific object of obtaining clean and safe milk. In its inception its object was definite and concrete, namely: The attainment of milk of a grade designed expressly for clinical purposes. In the development of its plan and through the federation of all such Medical Milk Commissions, it has included an educational propaganda looking toward the betterment of all milk supplies. This pure milk movement was started as a professional crusade twenty-five years ago and, by uniting with it sanitarians and health authorities, has activated all agencies striving for pure milk which were previously or have since been organized. The history of the achievements during this quarter of a century through the growth of an idea and the approach to an ideal, together with the record of the concerted efforts of those identified with the movement during the life of this Association, may be found in the pages of the five previous annual transactions and those covering the three years following published in this volume. Certified Milk is a professional ideal. It was conceived in the physician s need, it was...
