Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Documents of the Canadian Constitution, and Edited My primary object in publishing this collection of documents has been to provide students of Canadian Constitutional development in the Department of Modern History, University of Toronto, with a handy and convenient volume. I have not therefore thought it necessary to edit the documents in close detail. The notes which I have provided are meant to encourage work rather than to give full information. Nor have I written a long historical introduction. The history of the Canadian Constitution can be divided into six well defined periods. I have arranged the documents selected for each of these periods in chronological order so that the student can easily follow the development which they suggest, and I have linked up each section with introductory notes in which I attempt to sum up, briefly and in broad generalization, the history to which the documents afford illustrations. With the growing interest, however, in Constitutional history, especially within the British Empire, I venture to hope that the volume may prove useful to a wider circle of readers than those for whom it has primarily been compiled. If such a volume as this needs a defence, necessity and experience must bear the burden of it. Many of the well-known volumes of documents - e.g., by Messrs. Shortt and Doughty, Professors Egerton and Grant, and Mr. W. Houston - are out of print, and even had they been accessible, none of them fulfilled exactly what experience had taught me was necessary - a single volume in which acts of parliament, ordinances, proclamations and such dry-as-dust material would be vitalized by being brought into touch with letters,...
