Focus strategies in english sentences and their representation in books for school age german learners of english

By Anja Dinter

GRIN Verlag Jun 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2002 in the subject American Studies - Linguistics, grade: 1,3, University of Potsdam (Institut für Anglistik und Amerikanistik), course: The Structures of English , 23 entries in the bibliography, language: English, abstract: The aim of the following work is mainly to present focus strategies in English sentences. The topic has been of great interest to me since such focus constructions are an important grammatical means of re-arranging the information within a sentence according to one's intention. Being familiar with a wide variety of focus strategies is one possibility of improving one's style, both in written and spoken English. Several university level grammar books provide a great number of different means to assign focus within a sentence. In the following course of this paper I'm first going to explain and discuss the term focus as well as its function in English grammar and then show the possible ways of organizing a message. Due to the above mentioned variety of focus strategies not all of them can be itemized here. I decided on presenting...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
