Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1916 edition. Excerpt: .colored paper. Glue these two boards together, with the paper outside. Use strong glue for this, and leave the double board under a heavy weight until perfectly dry. Having your board thus prepared, you may proceed to mark the game upon it. On the white or light paper side of the board mark several pencil points exactly an inch from the edge on all sides. With these points for a guide, you may draw a firm, straight line an inch from the edge all around. In the same way draw another line half an inch from the edge of your board. These lines may be drawn with pen and ink, or with a brush and water colors. In any case, be careful to have them true and straight, and do not blur or blot the corners. Now on the inner line on each side of the square make pencil points exactly two inches apart. Connect these points across the board each way, and you will have sixty-four squares of equal size. Look at the illustration and you will see that every alternate one of these squares is blank. You may use your own pleasure in decorating these blank squares. They may be left untouched, or they may be covered by pasting over them two-inch squares of gilt paper, or paper that will contrast prettily with the color you have already used. You may paste in the center of each a small gilt star, such...
