Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Resoundingly Human: Aphorisms, Reflections and Poems by Debby Emeth focuses on the themes of writing, the self, love, genius, mysticism and insanity. Its aim is to dispel some of the mysteries behind the self and the phenomena of introvertive mystical experiences. Resoundingly Human, in so far as it addresses the phenomenology of introvertive mystical experiences, recognizes both the benefits and the shortcomings of such experiences, and places them in a context not wholly anticipated by the reader. It is a thoroughly honest attempt at describing and explaining the conditions that bring upon enlightenment and an understanding of the true nature of the self.
