Speedy Publishing LLC, United States, 2015. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Not many of us are familiar with the bitcoins. In this book you will learn about some basics of bitcoins and their use. A brief overview of their merits and demerits is presented plus a comparison with the conventional currency systems and regulations. Bitcoin is a virtual, digital currency just like conventional currency but not printed. This model of currency is making its headway in the internet market because of ease and least regulations. While exchanging, you are not charged any fees as it is done in case of regular currencies. It can be said as a product of new globalized world in the form of single currency beyond the limitations imposed by the regional governments. It is a unique idea that will obviously inspire the whole world in the coming future.
